**Snohomish (sno-HOH'-mish) County**, Washington is a unique treasure trove of diverse opportunity that's waiting to be discovered. Artfully bordered by the cool waters of Puget Sound, the crisp call of the Cascades and your own curiosity, this wide-open, inviting place can truly make you feel different from the moment you arrive.

Snohomish County is a recreational mecca and its temperate climate encourages year-round outdoor fun. With our natural scenic beauty, **nature-based tours** are our specialty! Whale watching, bald eagle viewing, river rafting trips, beach-front or forested hiking trails and estuary tours give visitors a glimpse of local wildlife and habitat.

Contained only by your own curiosity, this is where opportunities take flight. If aviation is your passion, see the assembly of the Boeing 747, 777 and 787 at the **Future of Flight** – Aviation Center and **Boeing Tour**. View rare treasures of the 20th-century aviation at the **Flying Heritage Collection** and the **Historic Flight Restoration Center**. Or watch volunteers restore other aviation treasures at the **Museum of Flight Restoration Center** at Paine Field in Everett.

Open up to a great buy! Snohomish County offers **shopping** galore! From Seattle Premium Outlets, to Alderwood in Lynnwood and Everett Mall, **boutique shops** in waterfront Edmonds and Mill Creek, or if **antiques** and collectibles are your passion, the winding brick paths and flower-lined boardwalks at Bothell Country Village or the historic town of Snohomish is your paradise found!

**Whatever you're up for – whether camping or canoeing, kayaking or casinos, shopping or restaurants, aviation or the arts – we invite you to open up . . . to life, to adventure, and to discovery. Snohomish County. Open Up.**
